COPYRIGHT GENERAL BAKING
COMPANY, 1921Maybe your husband
discovered our Bond

REMEMBER the night your hus-
band said: "You look tired tonight;
why don't you sleep late tomorrow?"

And you replied: "But I have to get
up at six o'clock and set the dough."

"That's foolish," he said.

"Foolish," you echoed — "perhaps so
—but would you be willing to eat bread
I didn't bake myself?" And he hesi-
tated—and you got up at six o'clock as
on every other baking morning.

Perhaps it was that very night that
he looked up from his newspaper and
said:

"Look here; this reads like some-
thing I'd be willing to take a chance on.
Here is a bread that is guaranteed with
a Bond on every wrapper. It absolute-
ly certifies that only the purest home
ingredients are used in the baking, and
they call the bread Bond Bread. Let's
try it once and see."

So husbands sometimes have their
uses around the house after all. That
Bond proved to be a Liberty Bond so
far as you are concerned.

It freed you from the long ordeal of
those baking days—forever.
